The USMCA Trade Deal: Panel Discussion

On March 6, 2019, OWIT-Ottawa was pleased to host a panel

discussion on the potential political and economic impacts of Canada's new free-trade trade agreement with the United States and Mexico.

Our panelists, public policy expert **Dr. Meredith Lilly**, international trade lawyer **Anca Sattler**, and customs broker **Nancy-Lee Glover**, shared their unique perspectives vis-à-vis the agreement and its potential impact for the future of Canadian trade. Many thanks to Dentons for hosting this great event!

*An Evening
with the British
High
Commissioner
to Canada*

On January 24,
2019, OWIT-

Ottawa was pleased to host an evening with the British High Commissioner to Canada. **Susan le Jeune d'Allegeershecque** joined us at Gowling WLG, where she shared insights on Canada-UK relations, and recent Brexit developments.

**OWIT-Ottawa
President**

We are pleased to announce the recent election of **Anca Sattler** as President of OWIT-Ottawa.

Anca has served as an active member of the OWIT-Ottawa Board of Directors over many years, and we are thrilled to welcome her to her new position as President!

Anca is a lawyer at Dentons and a member of its Litigation and Dispute Resolution as well as Privacy and Cybersecurity groups. Anca has experience in commercial litigation, international trade, employment, privacy and data protection matters, and has represented clients in international investment arbitrations before the International Trade Tribunal. Prior to joining Dentons, Anca gained in-house counsel experience with an international not-for-profit organization, and litigation experience with a top-tier law firm, where she focused on international trade and investment, commercial litigation and copyright law.

*A special thank
you to our
outgoing
President*

The departure of **Wendy Wagner** from the role of President marks a great loss for OWIT-Ottawa. We would like to thank Wendy for her years of guidance and her many contributions to the advancement of OWIT-Ottawa. We wish Wendy all the best in her future endeavors and in her work as a partner at Gowlings here in Ottawa. Thank you Wendy.
